A GUIDE FOR PATIENTS

Greater New Orleans
surgery center

personal care

Greater New Orleans Surgery Center has been specifically designed to give personal and professional care for your outpatient surgical needs. We provide personalized high quality service in a caring, comfortable and professional environment. Our primary concern is **OUR PATIENTS.**

Greater New Orleans Surgery Center offers a warm and personalized setting that is convenient and efficient, allowing the patient to quickly return home to the comfort of his or her own home. We also allow a family member to stay with the patient before and after the surgical procedure.

"My entire overall experience there was excellent. My nurse was very attentive and helped me every step of the way. The doctors were very informative and answered all of my questions pre and post surgery. The staff put me at ease, which helped relieve my anxiety!"

"The service and care provided was excellent. No one could have asked for better care that I received at your facility. While waiting, my husband was kept informed and treated with the utmost courtesy."

prior to surgery

- You will receive a call from the pre admission nurse to go over your medical history and setup lab testing if necessary.

- A financial representative will call you to go over your insurance benefits, required preoperative information and notify you of your financial responsibility that is due on the date of surgery.

- Please make arrangements for someone to drive you home after your surgery. You will not be allowed to drive yourself home after your procedure.

- A responsible adult should stay with you for the first 24 hours after your procedure for your protection and safety.

- **Do not eat, drink, chew gum or eat candy after midnight before your procedure,** unless otherwise instructed by your physician or the pre admission nurse.

Dos & Don'ts

day of surgery

- Wear loose, comfortable clothing and leave all valuables at home.
- If you have any body jewelry, please remove and replace with plastic spacer.
- Do not wear makeup, nail polish, hair pins or contact lenses.
- Arrive at the time instructed by the pre admission nurse or your doctor's office, no less than one hour prior to your surgery time.
- Bring any forms your physician has given you.
- Bring your driver's license or government issued picture identification, insurance cards and monies due to satisfy your financial responsibility. We accept checks, VISA, MasterCard and Discover.
- Your guest should remain in the waiting room in order to receive updates on your surgery. If your guest needs to leave the waiting room, they should advise the front desk. You and your guest should remember that the temperature may vary, please be prepared with a jacket or sweater.
