Welcome to Greater New Orleans Surgery Center. We're very pleased that you and your physician have chosen us to care for you.

To start the pre-surgical assessment process, Greater New Orleans Surgery Center requests that you fill out your medical history online with *One Medical Passport*.

We recommend that you enter your medical history online as soon as your surgery has been scheduled. Once you do this, our Pre-Surgical Assessment nurse will be able to access the information you entered online. This information will assist the nurse in organizing and documenting your complete medical history to prepare for your surgery.

To begin your online Pre-Surgical Assessment,

- 1) Go to our website: [www.gnosc.com](http://www.gnosc.com)
- 2) Select "Patient Registration" from the front page
- 3) Select "Click Here For One Medical Passport / Pre-Surgical Assessment"
- 4) Select the option for **New Patients**
- 5) Select the option to create a Passport for a **Medical Facility and Physician**.

Be sure to have the following information available before starting your *Medical Passport*:

- Your health insurance information.
- The names, addresses and phone numbers of your physicians.
- A list of all medications you are taking, their dosage and frequency.
- A list of surgical procedures you have ever had and their approximate dates.

***Note: If you are not able to complete your history online, please call our Preop nurse between 8:00 and 5:00 at 504-454-2017 option 4, as soon as possible to complete your health history. You will still need to have the above information available when you call. Please allow 20-30 minutes for this call.***
